Topic: Sermon On The Mount: Part II, Disciples and the World

As Jesus continues into His Sermon On The Mount, He begins the use of parable teaching to speak to His disciples. Jesus uses three different topics in this portion of His teaching; salt, light and the law. Each of these topics describes how Christians are to be to, and in, the world while He finishes with a very peculiar challenge.

Scriptures: Matthew 5: 13-20

Questions:

1. Pick two out of the three topics Jesus talked about (salt, light and the law) and provide a description/interpretation of what they mean.
2. In verse 20, how are we to surpass the righteousness of the scribes and Pharisees?
3. Are there any additional things in this reading that you found interesting?
